Here are my suggested edits.

To the press release – minor things, including a couple of places where key words seemed to have been inadvertently deleted.

To the website – to make the messaging about bottled water consistent with MDHHS' messaging.

Thanks.

Thank you. I have some suggested edits to these that I can add after OGWDW's review.

Hi Jennifer,

Sharing two comms materials on Benton Harbor – R5's press release on the 1414 order and their draft web page. Can OGWDW let us know any red flags by 10:00 on Monday?

Thanks,
